Consul General Callaghan tours Fairchild Media

A wide range of Chinese-language media vies for the attention of an estimated 400,000 ethnic Chinese living in metropolitan Vancouver, Fairchild Television news director Todd Ye told U.S. Consul General Anne Callaghan during her visit July 3 to Fairchild's broadcasting studios in Aberdeen Centre, Richmond.

Fairchild Television and its Mandarin Talentvision division have about 230,000 household subscribers across Canada, said Ye.

Consul General Callaghan also toured Fairchild's radio studio for FM 96.1 and AM1470, also located in Aberdeen Centre.

Fairchild Group. Chairman Thomas Fung hosted the tour.
