#### Chi at the Shangri-La

**What** The hotel's swanky new Himalayan-style spa, the first in North America, is now open. **Why** Hard times call for otherworldly escapes and Chi delivers with Tibetan singing bowls, ringing tingsha cymbals and treatments like the Jade Jewel Facial that uses a jade tool in combination with specialized massage techniques.

#### Body Politic

**What** A new South Main boutique carrying sustainable designs with an urban aesthetic - no granola here. **Why** Discover new-to-Canada lines like Teich vintage leather handbags in bright colours - all vegetable tanned and chrome-free - and Bahar Shahpar, a Brooklyn-based designer of dresses and separates carried by Saks Fifth Avenue.

#### Strawberry Cones

**What** This Japanese pizza and pasta chain, 200-stores strong in the mother country, is making its international debut in Richmond. **Why** Life's too short for boring pizza. Strawberry Cones has a cult following in Japan. See why with flavours like lobster with carbonara sauce, salmon and camembert, or potetama-chan with potato egg salad and sausage. Swing by en route to the airport.
